In the very emergent case of a L.f when we have to see a dying relation it may not always be possible to wait for actual sanction to the leave and it may perhaps be desirable to introduce a rule somewhat similar to the one in existence in the Civil Courts rule of practice.

13) At there is nothing to show that the reasons assigned by the Offr are untrue and as it would have taken considerable time before he could obtain leave in the usual course if as stated a wire could not be sent to HQ Quarter except from Arcot, it seems to be sufficient to warn the Offr or stop his pay for four days which involves the further consequence of loss of privilege leave

Sir,

I have the honor to report that Assistant Surgeon Mr. N.S.Nanjundaiya, in charge of the Railway Dispensary at Holenarsipur left the station and was absent from there for four days from the 23rd to the 26th of January 1915, in anticipation of sanction of the Engineer in Chief for Railways, who has referred the matter to me for necessary action.

2. Copy of the Assistant Surgeon's explanation, which was called for, is enclosed for information. The explanation cannot be considered as satisfactory. Even admitting the facts as stated therein, the Assistant Surgeon could have wired for the necessary permission either to this office or to the Railway Engineer's office from Arsikere which is within his jurisdiction. He did not do so nor did he explain matters personally to either of the officers on his arrival at Bangalore.

3. I therefore consider him guilty of being unauthorizedly absent from duty under Art.286 of the Mysore Service Regulations. The failure of the Assistant Surgeon to realise

Letter No. 255 dated 12-2-1915 from Mr. N.S. Nanjundiah, Railway Medical Officer, Hole Narsipur, to the Senior Surgeon Mysore Government.

En: med 119.14.1

With reference to your No. 3930 dated, Bangalore, 3rd February 1915, I beg to state that I was misinformed that my father at Bangalore was dangerously ill. My father is living by himself at Bangalore and I was naturally anxious to see him as soon as possible. This anxiety was all the greater since my brother's marriage had been settled a few days later, involving an expenditure of hundreds of rupees. I sent a telegram to the local office but was sorry to find that no message could be sent to Bangalore as the Signaller explained that our messages could be sent only as far as Arsikere. I could not therefore get my leave sanctioned before I left Hole Narsipur for Bangalore. I was at my wit's an end and thrown completely off my mental balance. Necessary medicines and dressings etc., had been left with my Compounder for use during my absence and the Compounder had also been directed to wire to the Railway Sub Assistant Surgeon at Hassan to attend to all emergencies during my absence. Under the circumstances I beg to be excused for this one rash act of mine during all my past official career.
